

Play value

Our Water Combination "Small Fish" offers very special fun for big and small children. Installed in sand and equipped with a staircase, platform, a mushroom spring, water channels and a bucket wheel, it gives free reign to childhood fantasy in different role-playing games. Moreover the senses are stimulated and creativity is promoted by the elements water and sand. The two colourfully painted fish on the outer side of the platform also provide small playgrounds with an appealing and inviting appearance.

Water Combination "Small Fish"

Fundamental characteristics

- child-oriented dimensions according to ergonomic requirements
- the space-defining design and the natural surface appeal to the senses
- high-quality design
- combination for role-playing games, "work" play and activity
- exercise activity: climbing up and around, pumping, jumping

Suitable

- for children from 3 years of age
- for public playgrounds
- playgrounds situated near houses
- kindergartens
- after-school programmes
- children's homes

5.10010

safety check according to EN 1176

Components

- 1 staircase
- 2 ramps, each with side part in the shape of a fish
- 1 platform
- 6 foundation irons
- 1 mushroom spring, order No. 5.18000 incl. winter lid
- 1 small bucket wheel, order No 5.15910
- 1 triangular channel with steel feet
- 1 horizontal channel with steel feet
- 1 channel with shutter with steel feet
- 1 round mud table with steel feet

Installation information

Surfacing requirements
Platform
 corresponding to a fall height of ≤ 0.60 m (please refer to price list for more detailed information)
Water mud equipment
 No fall height according to standard; staircase-like constructions may require an examination of the fall height. Recommendation: sand with drainage or pavement with gully and corresponding landscaping. Take into account that sand is required for "playing in the mud".

Foundations

- Fish**
6 items 30 x 30 x 30 cm excavation depth 50 cm
- Triangular Channel**
2 items 50 x 50 x 50 cm excavation depth 70 cm
- Horizontal Channel**
2 items 50 x 50 x 40 cm excavation depth 60 cm
- Channel with Shutter**
2 items 50 x 90 x 50 cm excavation depth 70 cm
- Mud Table**
2 items 50 x 100 x 50 cm excavation depth 70 cm
- Small Bucket Wheel**
1 item 50 x 90 x 30 cm excavation depth 70 cm

Attention:
Exact measurements may vary; for all installation dimensions refer to current assembly instructions.
 Technical changes reserved.

Technical information

equipment of non-impregnated mountain larch

angle cut
 vertical stand posts with angle cut in the end grain section as constructive wood preservation

core-free timber
 sawn timbers core-free, thus decreasing occurrences of cracking

plywood
 side walls made of waterproof larch plywood board, 40 mm

tongue and groove
 platform floor of 40 mm tongue and groove boarding

ground anchor
 all parts used for anchoring to the ground made of hot-dip galvanised steel

ball bearings
 low-maintenance ball bearings

colour
 solvent-free acrylic paints are used for colouring; the wood is painted in a way which allows the structure of the wood to remain clearly visible

For a description of the mushroom spring and small bucket wheel, please refer to the separate catalogue pages.

Dimensions
 (small deviations possible)

| | |
|-----------------|--------|
| height | 1.40 m |
| platform height | 0.60 m |
| length | 4.55 m |
| width | 3.45 m |
| weight | 600 kg |

Planning information

Equipment marked with a pointing arrow must be installed with a gradient of approx. 2% (= 2 cm on 1 m). This means that for planning, not only the height of the equipment but also the gradient must be taken into consideration.

Individual solutions for the water supply must be devised, depending on the plans. Up-to-date details on the connection for the water supply and other technical information is available to download as a table at our website www.richter-spielgeraete.de. Go to "Products" and then the applicable piece of equipment.

Please refer to the price list for a more detailed explanation of the quality characteristics.
